§ 8 Complaint, petition or declarations
Jail Conditions Amounting to Cruel and Unusual
Punishment Violating Eighth Amendment, Sixth Amend-
ment, 14th Amendment of the United States Constitu-
tion.

- ① TARRANT County Jail which is being operated by defendant pursuant to state law, was built as a warehouse, and was not designed to hold the capacity of inmates that are here at the present time. Green Bay Jail in TARRANT County is in violation in the cages where we are housed at 24 men in 30 ft x 24 ft cages 24 bunks they are giving us 2 ft. (Almost?)
- ② The plumbing system in the jail is antiquated, with the result that toilets leak. I'm at 41601 if you come and look, there's water on the floor at all times. It is unsanitary, and the showers very different temp.
- ③ Visiting is limited to (None) from the Covid 19 virus. Prison Litigation Reform Act paid for tablet time for our families but we don't get it. There is no facilities or personnel for social services, exercise, recreation, reading, rehabilitation, or any other human resources to meet inmate needs.
- ④ Discipline is enforced by confinement in one of the two cells in the jail here. The cells are concrete and prisoners are placed without any notice, hearing, or findings, with no right to counsel, and no independent investigation of the incident. The duration of confinement averages. The disciplinary is ran by 3 corporals (supervisors) and inmates are always almost found guilty.
